Wait, What's PERPEX?

ABOUT PERPEX

A team of young dreamers and education facilitators, aiming to empower the society by providing value additions to unorganized individuals and organizations through formal education and professional training.

So, how it works?

The in-house business development division specializing client-centric **sales funnels**, providing B2B sales services as a dedicated entity within the organization

SaleX

Connects trainees with SaleX, MarketriX, and PlaceX through **hands-on modules**, case studies, and industry experts for practical learning experiences.

PerpeX Institute

PerpeX Insights

MarketriX

The in-house marketing agency, that specializes in lead generation and enhances visibility through **organic marketing** with the right blend of technology.

PlaceX

The internal hub, connecting campuses, job seekers, and recruiters to efficiently **match talent with opportunities**, addressing challenges for both employees and employers
